Extra Curricular Activities – Summer Term 2017

Dear Parent/Carer

We are beginning extra-curricular activities for the Summer term week beginning the 30th April and are keen to offer as wide a variety of clubs as possible. As always, we encourage both genders to attend all clubs.

We are lucky to have so many members of staff and volunteers from the village who give their time freely to support the clubs structure. Please look carefully at the dates when clubs begin and end and make a note of this. The club teachers will let you know of any changes should they arise.

If you feel you could share skills, sporting or creative please do not hesitate to contact us and we will try and accommodate you in our active schedule.

Any parent who has a skill or talent, combined with enthusiasm and the commitment to run a club is welcome to come and discuss their ideas with me.

So that everyone can enjoy attending clubs it is important to understand the rules.

Club Rules

- 1 The teachers/volunteers involved in running clubs are doing so voluntarily in their own time, so it is important that you are as committed as they are and attend every week.
- 2 Make sure you return your permission slip to attend the club to the club teacher. There may be some clubs that cannot fit everybody in; so be quick!
- 3 Make sure you have the right equipment and clothing for your club each week.
- 4 Make sure you know what your arrangements are for going home after the club has finished. You will be dismissed from school by your club teacher promptly from the atrium when the club has finished.
- 5 Make sure you let your club teacher know if you cannot attend the club. This must be done by one of your parents/carers telling the club teacher or sending a note.
- 6 Make sure your club teacher knows if you need to stop attending the club altogether. This must be done by one of your parents /carers telling the club teacher or sending a note.
- 7 Have Fun!
