**Extra Curricular Activities - Autumn Term 2016**

Dear Parent/Carer

We are beginning extra-curricular activities for the Autumn term week beginning the 19<sup>th</sup> September and are keen to offer as wide a variety of clubs as possible. As always, we encourage both genders to attend all clubs.

We are lucky to have so many members of staff and volunteers from the village who give their time freely to support the clubs structure.

If you feel you could share skills, sporting or creative please do not hesitate to contact us and we will try and accommodate you in our active schedule.

**NB These are the clubs for the Autumn term only.**

Any parent who has a skill or talent, combined with enthusiasm and the commitment to run a club is welcome to come and discuss their ideas with me.

- Please look carefully at the dates when clubs begin and end. Your club teachers will tell you if any changes need to be made.
- So that everyone can enjoy attending clubs it is important to understand the rules.

### **Club Rules**

- 1 The teachers involved in running clubs are doing so voluntarily in their own time, so it is important that you are as committed as they are and attend every week.
- 2 Make sure you let your club teacher know if you cannot attend the club. This is best done by one of your parents telling the club teacher or sending a note.
- 3 Make sure your club teacher knows if you need to stop attending the club altogether. This is best done by one of your parents telling the club teacher or sending a note.
- 4 Make sure you have the right equipment and clothing for your club.
- 5 Make sure you know what your arrangements are for going home after the club has finished. You will be dismissed from school by your club teacher promptly from the atrium when the club has finished.
- 6 Make sure you return your permission slip to attend the club to the club teacher. There may be some clubs that cannot fit everybody in so be quick!
- 7 Have Fun!

### **The dates for clubs for the Autumn Term 2016**
