Dear Parents and Carers

As part of our recent literacy unit, the children have produced a persuasive leaflet or poster with a real-life purpose with yourselves as the audience. As you will see from the work that has come home with your child, they have worked really hard to include different persuasive devices. Furthermore, we hope to show some TV adverts featuring your children's persuasive language on the television in the school reception, so please keep a look out for them!

The calendars will be available to view and purchase on Friday 9th December at the Junior Apprentice event at South Brent Primary School and we hope to see as many of you there as possible. If you are unable to attend, you can order your copies by filling in the slip below and return to the school office. We have one hundred calendars available and once they're gone they're gone.

We really appreciate your support with this fantastic project and look forward to seeing you at the Junior Apprentice event. Any calendars that are still available after the event will be available for purchase from the school office.

Kind regards

Scott Malpas and Becky Hawling
