VISION STATEMENT – ETHOS AND VALUES

South Brent Primary provides a stimulating and fun learning environment where pupils are encouraged, supported, motivated and challenged to undertake their personal journey of discovery.

The school aspires to:

- be committed to developing a welcoming, safe and stimulating learning environment that will enable pupils to become responsible citizens and lifelong learners.
- be a school where staff, governors and parents work actively together to ensure pupils receive a rich, inspiring, dynamic and engaging education.
- recognise that pupils bring different experiences, interests and strengths, which will influence the way they learn.
- nurture all individuals on their journey to achieve their full and unique potential.
- to recognise and celebrate success in all aspects of school and community life.

We want pupils to:

- enjoy learning and become great thinkers who embrace challenges.
- develop curiosity and instil a passion for learning.
- achieve their full potential in every aspect of school life, whatever their ability level.
- begin to develop their own beliefs and values whilst respecting those of others.
- develop appropriate behaviour for learning and recognising their personal learning styles.

South Brent Primary School strives to create confident, independent individuals who take responsibility for their actions and who understand their role in our wider community.
